

Thank you for agreeing to help at the  
Brooksie Way Half Marathon and 5K Race  
Sunday, October 5, 2008!

Please arrive by 6:15 am and park at Oakland University.  
Once you have parked, go directly to the **Volunteer Check-In Tent**, which will be clearly marked with a large sign.  
This tent will be located near the Meadow Brook entrance at Oakland University, on Walton Blvd just west of Adams.

You will be given further instructions on your specific duties at that time. We have designated you as course support, which means you will help direct runners on the course. It is a very exciting and important job. We will transport you to an assigned spot and also return you after the race.

If you have any further questions please contact Mike Hall, operations director via email at [mhall@crim.org](mailto:mhall@crim.org). We are looking forward to a great day in memory of a great young man.
